

## IN THE SPECIFICATION

1. On page 3, line 1, please delete the following line:

~~--Figure 4 is a video layout for practice of the same.--~~

2. On page 17, lines 18-20, please amend the following paragraph:

~~--Examples of the games possible are shown in the following examples. These could be used if the game was played by the player as shown in Figure 3 and 5 or was run in the background with automated wagering with wagers of present or randomly selected amounts.--~~

3. On page 17, line 23 and on page 18 lines 1-5, please amend the following paragraph:

~~--One concept embodied here in is the display with a multiple but preferably four randomly generated dice rolls in a row. In the preferred embodiment these rolls appear as shown in Figure 3a. The top and bottom cards together equal a single roll. Likewise, the total may be displayed with the total of both dice in a single row as shown in Figure 7 or replacing the dice with the numeric result of their additions or with a card display (here five cards according to the rules of poker, but cards with a blackjack or other card game would be substituted.--~~
